## Taylor Swift, Begin Again

Took a deep breath in the mirror
He didn't like it when I wore high heels, but I do
Turned the lock and put my headphones on
He always said he didn't get this song but I do, I do

Walked in expecting you'd be late But you got here early and you stand and wave I walk to you You pulled my chair out and helped me in And you don't know how nice that is, but I do

And you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never did I've been spending the last 8 months thinking all love ever does Is break and burn and end But on a wednesday in a cafe I watched it begin again

You said you never met one girl Who had as many James Taylor records as you, but I do We tell stories and you don't know why I'm coming off a little shy, but I do

But you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never did I've been spending the last 8 months thinking all love ever does Is break and burn and end But on a wednesday in a cafe I watched it begin again

And we walk down the block to my car And I almost brought him up But you start to talk about the movies That your family watches every single Christmas And I want talk about that For the first time, what's past is past

'Cause you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never did I've been spending the last 8 months thinking all love ever does Is break and burn and end Then on a wednesday in a cafe I watched it begin again Then on a wednesday in a cafe I watched it begin again
