

# Taylor Swift, Call It What You Want

[Verse 1]

My castle crumbled overnight  
I brought a knife to a gunfight  
They took the crown, but it's alright  
All the liars are calling me one  
Nobody's heard from me for months  
I'm doin' better than I ever was  
'Cause

[Chorus]

My baby's fit like a daydream  
Walking with his head down  
I'm the one he's walking to  
So call it what you want, yeah  
Call it what you want to  
My baby's fly like a jet stream  
High above the whole scene  
Loves me like I'm brand new  
So call it what you want, yeah  
Call it what you want to

[Verse 2]

All my flowers grew back as thorns  
Windows boarded up after the storm  
He built a fire just to keep me warm  
All the drama queens taking swings  
All the jokers dressing up as kings  
They fade to nothing when I look at him  
And I know I make the same mistakes every time  
Bridges burn, I never learn  
At least I did one thing right  
I did one thing right  
I'm laughing with my lover  
Making forts under covers  
Trust him like a brother, yeah  
You know I did one thing right  
Starry eyes sparkin' up my darkest night

[Chorus]

My baby's fit like a daydream  
Walking with his head down  
I'm the one he's walking to  
So call it what you want, yeah  
Call it what you want to  
My baby's fly like a jet stream  
High above the whole scene  
Loves me like I'm brand new  
(Call it what you want, call it what you want, call it)  
So call it what you want, yeah  
Call it what you want to

[Bridge]

I want to wear his initial  
On a chain round my neck, chain round my neck  
Not because he owns me  
But 'cause he really knows me  
Which is more than they can say, I  
I recall late November, holdin' my breath  
Slowly I said "You don't need to save me  
But would you run away with me?"  
Yes (would you run away?)

[Chorus]

My baby's fit like a daydream

Walking with his head down  
I'm the one he's walking to  
(Call it what you want, call it what you want, call it)  
So call it what you want, yeah  
Call it what you want to  
My baby's fly like a jet stream  
High above the whole scene  
Loves me like I'm brand new  
(Call it what you want, call it what you want, call it)  
So call it what you want, yeah  
Call it what you want to

[Outro]  
(Call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
(Call it what you want, call it what you want, call it)  
Call it what you want, yeah  
Call it what you want...  
To
