

# Taylor Swift, Everything Has Changed (ft. Ed Sheeran)

All I knew this morning when I woke,  
Is I know something now (know something now),  
I didn't before.

And all I've seen,  
Since 18 hours ago,  
Is green eyes and freckles and your smile  
In the back of my mind making me feel like...

I just want to know you better,  
Know you better, know you better now.  
/2x

(ft. Ed Sheeran)  
I just want to know you better,  
Know you better, know you better now.

I just want to know you, know you, know you,.

Cause all I know is we said hello,  
And your eyes look like coming home.  
All I know is a simple name,  
Everything has changed.

All I know is you held the door,  
You'll be mine and I'll be yours,  
All I know since yesterday,  
Is everything has changed.

(Ed Sheeran)  
And all my walls,  
Stood tall painted blue,  
And I'll take 'em down, take 'em down and  
Open up the door for you.

And all I feel in my stomach is butterflies,  
The beautiful kind,  
Making up for lost time,  
Taking flight making me feel like..

I just want to know you better, know you better, know you better now /3x  
I just want to know you, know you, know you...

Cause all I know is we said hello,  
And your eyes look like coming home.  
All I know is a simple name,  
Everything has changed.

All I know is you held the door,  
You'll be mine and I'll be yours,  
All I know since yesterday,  
Is everything has changed.

Come back and tell me why,  
I'm feeling like I've missed you all this time.  
And meet me there tonight,  
And let me know that it's not all in my mind.

I just want to know you better, know you better, know you better now  
I just want to know you, know you, know you

Cause all I know is we said hello,  
And your eyes look like coming home.  
All I know is a simple name,

Everything has changed.

All I know is you held the door,  
You'll be mine and I'll be yours,  
All I know since yesterday is,  
Everything has changed.

All I know is we said hello,  
So dust off your highest hopes.  
All I know is pouring rain,  
And everything has changed.

All I know is a new found grace,  
All my days I'll know your face,  
All I know since yesterday is,  
Everything has changed.
