

Taylor Swift, Fifteen

You take a deep breath and you walk through the doors
It's the morning of your very first day
You say hi to your friends you ain't seen in a while
Try and stay out of everybody's way
It's your freshman year and you're gonna be here
for the next four years in this town
Hoping one of those senior boys will wink at you and say
You know I haven't seen you around, before

Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
And when you're fifteen
Feeling like there's nothing to figure out
Well count to ten, take it in
This is life before you know who you're gonna be
Fifteen

You sit in class next to a redhead named Abigail
And soon enough you're best friends
Laughing at the other girls who think they're so cool
We'll be out of here as soon as we can
And then you're on your very first date and he's got a car
And you're feeling like flying
And you're mama's waiting up
And you're thinking he's the one
And you're dancing round your room when the night ends
When the night ends

Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
When you're fifteen and your first kiss makes your head spin round but
In your life you'll do things greater than
Dating the boy on the football team
But I didn't know it at fifteen

When all you wanted was to be wanted
Wish you could go back and tell yourself what you know now

Back then I swore I was gonna marry him someday
But I realized some bigger dreams of mine
And Abigail gave everything she had to a boy who changed his mind
And we both cried

Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
And when you're fifteen, don't forget to look before you fall
I've found that time can heal most anything
And you just might find who you're supposed to be
I didn't know who I was supposed to be at fifteen

La la la la la

Your very first day
Take a deep breath girl
Take a deep breath as you walk through those doors
