

Taylor Swift, Forever & Always

Once upon a time, I believe it was a Tuesday when I caught your eye
and we caught onto something
I hold onto the night, you looked me in the eye and told me you loved me

Were you just kidding?
cause it seems to me, this thing is breaking down
we almost never speak
I dont feel welcome anymore
baby what happened, please tell me?

Cause one second it was perfect, now youre halfway out the door

And I stare at the phone, he still hasnt called
and then you feel so low you cant feel nothing at all
and you flashback to when he said forever and always
oh, and it rains in your bedroom
everything is wrong
it rains when youre here and it rains when youre gone
cause I was there when you said forever and always

Was I out of line?
Did I say something way too honest, made you run and hide
like a scared little boy
I looked into you in the eyes
thought I knew you for a minute, now Im not so sure

so heres everything coming down to nothing
heres to silence that cuts me to the core
where is this going? Thought I knew for a minute, but I dont anymore

And I stare at the phone, he still hasnt called
and then you feel so low you cant feel nothing at all
and you flashback to when he said forever and always
oh, and it rains in your bedroom
everything is wrong
it rains when youre here and it rains when youre gone
cause I was there when you said forever and always
you didnt mean it baby, I dont think so

Back up, baby, back up
did you forget everything
Back up, baby, back up
did you forget everything

Cause it rains in your bedroom
everything is wrong
it rains when youre here and it rains when youre gone
cause I was there when you said forever and always

Oh, I stare at the phone, he still hasnt called
and then you feel so low you cant feel nothing at all
and you flashback to when we said forever and always

and it rains in your bedroom
everything is wrong
it rains when youre here and it rains when youre gone
cause I was there when you said forever and always
you didnt mean it baby, you said forever and always I dont think so yeah
