

# Taylor Swift, Hey Stephen

Hey Stephen, I know looks can be deceiving but I know I saw a light in you  
As we walked we were talking and I didn't say half the things I wanted to  
Of all the girls tossing rocks at your window I'll be the one waiting there even when it's cold  
Hey Stephen, boy you might have me believing I don't always have to be alone

Cause I can't help it if you look like an angel  
Can't help it if I wanna kiss you in the rain so  
Come feel this magic I've been feeling since I met you  
Can't help it if there's no one else  
I can't help myself

Hey Stephen, I've been holding back this feeling so I've got some things to say to you  
I seen it all so I thought but I never seen nobody shine the way you do  
They way you walk the way you talk the way you say my name  
It's beautiful, wonderful don't you ever change  
Hey Stephen, why are people always leaving I think you and I should stay the same

Cause I can't help it if you look like an angel  
Can't help it if I wanna kiss you in the rain so  
Come feel this magic I've been feeling since I met you  
Can't help it if there's no one else  
I can't help myself

They're dimming the street lights, you're perfect for me why aren't you here tonight  
I'm waiting alone now so come on and come out and pull me near  
Shine, shine, shine

Hey Stephen, I could give you fifty reasons why I should be the one you choose  
All those other girls, well they're beautiful but would they write a song for you

I can't help it if you look like an angel  
Can't help it if I wanna kiss you in the rain so  
Come feel this magic I've been feeling since I met you  
Can't help it if there's no one else  
I can't help myself

If you look like an angel  
Can't help it if I wanna kiss you in the rain so  
Come feel this magic I've been feeling since I met you  
Can't help it if there's no one else  
I can't help myself  
Myself, can't help myself  
I can't help myself
