

# Taylor Swift, I Wish You Would (Taylor's Version)

It's 2:00 AM in your car  
Windows down, you pass my street, the memories start  
You say it's in the past, you drive straight ahead  
You're thinking that I hate you now 'cause you still don't know what I never said

I wish you would come back  
Wish I never hung up the phone like I did, I  
Wish you knew that  
I'd never forget you as long as I live, and I  
Wish you were right here, right now, it's all good  
I wish you would

It's 2:00 AM in my room  
Headlights pass the window pane, I think of you  
We're a crooked love in a straight line down  
Makes you want to run and hide, and it makes you turn right back around

I wish you would come back  
Wish I never hung up the phone like I did, I  
Wish you knew that  
I'd never forget you as long as I live, and I  
Wish you were right here, right now, it's all good  
I wish you would  
I wish we could go back  
And remember what we were fighting for, and I  
Wish you knew that  
I miss you too much to be mad anymore, and I  
Wish you were right here, right now, it's all good  
I wish you would

I, I, I, I, I, I, I, I wish I, wish I  
I, I, I, I, I, I, I wish I, wish I  
I, I, I, I, I, I, I wish I, wish I

You always knew how to push my buttons  
You give me everything and nothing  
This mad, mad love makes you come running  
To stand back where you stood  
I wish you would, I wish you would  
I wish you would, I wish you would  
I wish you would, I wish you would  
I wish you would, I wish you would  
I wish, I wish, I

2:00 AM, here we are  
See your face, hear my voice in the dark  
We're a crooked love in a straight line down  
Makes you wanna run and hide, but it made us turn right back around

I wish you would come back  
Wish I never hung up the phone like I did, I  
Wish you knew that  
I'd never forget you as long as I live, and I  
Wish you were right here, right now, it's all good  
I wish you would  
I wish you would come back  
Wish I never hung up the phone like I did, I  
Wish you knew that  
I'd never forget you as long as I live, and I  
Wish you were right here, right now, it's all good  
I wish you would  
I wish we could go back  
And remember what we were fighting for, and I  
Wish you knew that

I miss you too much to be mad anymore, and I  
Wish you were right here, right now, it's all good  
I wish you would

You always knew how to push my buttons  
You give me everything and nothing  
This mad, mad love makes you come running  
To stand back where you stood  
I wish you would, I wish you would  
I wish you would, I wish you would  
I wish you would, I wish you would  
I wish you would, I wish you would, I wish you would, I wish you would  
I, I, I, I, I, I, I wish I, wish I  
I, I, I, I, I, I, I wish I, wish I  
I wish you would
