

Taylor Swift, Only The Young (Featured in Miss A

it keeps me awake
the look on your face
the moment you heard the news
you're screaming inside
and frozen in time
you did all
that you could do

the game was rigged
the ref got tricked
the wrong ones
think they're right
you were outnumbered
this time

but only the young
only the young
only the young
only the young
can run
can run
so run
and run

so every day now
you brace for the sound
you've only heard on TV
you go to class scared
wondering where
the best hiding spot would be

and the big bad man
and his big bad man
their hands are stained whit red
oh, how quickly
they forget

they aren't gonna help us
too busy helping themselves
they aren't gonna change this
we've got to do it ourselves
they think that it's over
but it's just begun
only one thing can save us

only the young
only the young
only the young
only the young
only the young
only the young
only the young
only the young
only the young
only the young

don't say you're too tired to
fight
it's just a matter of
time
up there's the finish line

only the young
can run

don't say you're too tired to
fight
it's just a matter of
time
up there's the finish line

so run
and run

only the young

don't say you're too tired to
fight
it's just a matter of
time
up there's the finish line

so run
and run
