

# Taylor Swift, So It Goes...

[Verse 1]

See you in the dark  
All eyes on you, my magician  
All eyes on us  
You make everyone disappear, and  
Cut me into pieces  
Gold cage, hostage to my feelings  
Back against the wall  
Trippin', trip-trippin' when you're gone

[Pre-Chorus]

'Cause we break down a little  
But when you get me alone, it's so simple  
'Cause baby, I know what you know  
We can feel it

[Chorus]

And all the pieces fall  
Right into place  
Getting caught up in a moment  
Lipstick on your face  
So it goes...  
I'm yours to keep  
And I'm yours to lose  
You know I'm not a bad girl, but I  
Do bad things with you  
So it goes...

[Verse 2]

Met you in a bar  
All eyes on me, your illusionist  
All eyes on us  
I make all your gray days clear  
And wear you like a necklace  
I'm so chill, but you make me jealous  
But I got your heart  
Skippin', skip-skippin' when I'm gone

[Pre-Chorus]

'Cause we break down a little  
But when I get you alone, it's so simple  
'Cause baby, I know what you know  
We can feel it

[Chorus]

And all the pieces fall  
Right into place  
Getting caught up in a moment  
Lipstick on your face  
So it goes...  
I'm yours to keep  
And I'm yours to lose  
You know I'm not a bad girl, but I  
Do bad things with you  
So it goes...

[Refrain]

Come here, dressed in black now  
So, so, so it goes  
Scratches down your back now  
So, so, so it goes

[Bridge]

You did a number on me

But, honestly, baby, who's counting?  
I did a number on you  
But, honestly, baby, who's counting?  
You did a number on me  
But, honestly, baby, who's counting?  
Who's counting?  
(1, 2, 3)

[Chorus]  
And all the pieces fall (Pieces fall)  
Right into place  
Getting caught up in a moment (Caught up, caught up)  
Lipstick on your face  
So it goes...  
I'm yours to keep (Oh)  
And I'm yours to lose (Baby)  
You know I'm not a bad girl, but I  
I do bad things with you  
So it goes...

[Refrain]  
Come here, dressed in black now  
So, so, so it goes  
Scratches down your back now  
So, so, so it goes  
Come here, dressed in black now  
So, so, so it goes  
Scratches down your back now  
So, so, so it goes
