

Taylor Swift, State Of Grace

I'm walking fast through the traffic lights
Busy streets and busy lives
And all we know is touch and go
We are alone with our changing minds
We fall in love till it hurts or bleeds
Or fades in time

And I never saw you coming
And I'll never be the same

You come around and the armor falls
Pierce the room like a cannon ball
Now all we know... is don't let go
We are alone just you and me
Up in your room and our slates are clean
Just twin fire signs, four blue eyes

So you were never a saint,
And I've loved in shades of wrong
We learn to live with the pain,
Mosaic broken hearts
But this love is brave and wild

And I never saw you coming
And I'll never be the same

This is is a state of grace
This is the worthwhile fight
Love is a ruthless game
Unless you play it good and right
These are the hands of fate
You're my achilles heel,
This is the golden age of something good and right and real

And I never saw you coming
And I'll never be the same

And I never saw you coming
And I'll never be the same

This is is the state of grace
This is the worth while fight
Love is a ruthless game
Unless you play it good and right
