## Taylor Swift, Tell Me Why

I took a chance, I took a shot And you might think I'm bulletproof, but I'm not You took a swing, I took it hard And down here from the ground I see who you are

I'm sick and tired of your attitude I'm feeling like I don't know you You tell me that you love me then cut me down And I need you like a heartbeat But you know you got a mean streak Makes me run for cover when you're around And here's to you and your temper Yes, I remember what you said last night And I know that you see what you're doing to me Tell me why

You could write a book on how to ruin someone's perfect day Well I get so confused and frustrated Forget what I'm trying to say, oh

I'm sick and tired of your reasons I got no one to believe in You tell me that you want me, then push me around And I need you like a heartbeat But you know you got a mean streak Makes me run for cover when you're around And here's to you and your temper Yes, I remember what you said last night And I know that you see what you're doing to me Tell me why

Why...do you have to make me feel small So you can feel whole inside Why...do you have to put down my dreams So you're the only thing on my mind

I'm sick and tired of your attitude I'm feeling like I don't know you You tell me that you want me then cut me down I'm sick and tired of your reasons I've got no one to believe in You ask me for my love then you push me around Here's to you and your temper Yes, I remember what you said last night And I know that you see what you're doing to me Tell me why Why, tell me why

I take a step back, let you go I told you I'm not bulletproof Now you know
