## Taylor Swift, The Prophecy

Hand on the throttle
Thought I caught lightning in a bottle
Oh, but it's gone again
And it was written
I got cursed like Eve got bitten
Oh, was it punishment?
Pad around when I get home
I guess a lesser woman would've lost hope
A greater woman wouldn't beg
But I looked to the sky and said

## Please

I've been on my knees
Change the prophecy
Don't want money
Just someone who wants my company
Let it once be me
Who do I have to speak to
About if they can redo
The prophecy?

Cards on the table
Mine play out like fools in a fable, oh
It was sinking in
Sinking in, oh
Slow is the quicksand
Poison blood from the wound of the pricked hand
Oh, still I dream of him

## Please

I've been on my knees
Change the prophecy
Don't want money
Just someone who wants my company
Let it once be me
Who do I have to speak to
About if they can redo
The prophecy?

And I sound like an infant Feelin' like the very last drops of an ink pen A greater woman stays cool But I howl like a wolf at the moon And I look unstable Gathered with a coven round a sorceress' table A greater woman has faith But even statues crumble if they're made to wait I'm so afraid I sealed my fate No sign of soulmates I'm just a paperweight In shades of greige Spending my last coin so someone will tell me It'll be ok Ooh Ooh Ooh Ooh

## Please

I've been on my knees Change the prophecy Don't want money Just someone who wants my company Let it once be me Who do I have to speak to About if they can redo The prophecy?

Who do I have to speak to
To change the prophecy?
Hand on the throttle
Thought I caught lightning in a bottle, oh
But it's gone again
Pad around when I get home
I guess a lesser woman would've lost hope
A greater woman wouldn't beg
But I looked to the sky and said
Please
