

# Taylor Swift, Untouchable

Untouchable like a distant diamond sky  
I'm reaching out and I just can't tell you why  
I'm caught up in you, I'm caught up in you  
Untouchable burning brighter than the sun  
And when you're close I feel like coming undone

In the middle of the night when I'm in this dream  
It's like a million little stars spelling out your name  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon...little taste of heaven

It's half full and I won't wait here all day  
I know you're saying that you'd be here anyway  
But you're untouchable burning brighter than the sun  
And now that you're close I feel like coming undone

In the middle of the night when I'm in this dream  
It's like a million little stars spelling out your name  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon, oh

In the middle of the night we could form this dream  
I wanna feel you by my side standing next to me  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon...little taste of heaven

I'm caught up in you, oh, oh

But you're untouchable burning brighter than the sun  
Now that you're close I feel like coming undone

In the middle of the night when I'm in this dream  
It's like a million little stars spelling out your name  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon

In the middle of the night when I'm in this dream  
It's like a million little stars spelling out your name  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon  
C'mon

In the middle of the night we could form this dream  
I wanna feel you by my side standing next to me  
You gotta c'mon c'mon  
Say that we'll be together  
C'mon c'mon  
Little taste of heaven

In the middle of the night when I'm in this dream  
It's like a million little stars spelling out your name  
You gotta c'mon c'mon, oh  
Say that we'll be together  
C'mon c'mon  
C'mon c'mon, oh oh oh

Like a million little stars spelling out your name  
Spelling out your name, oh
