Taylor Swift, We Are Never Ever Getting Back To

I remember when we broke up the first time Saying this is it, I've had enough, 'cause like We haven't seen each other in a month When you, said you, needed space, what? Then you come around again and say Baby, I miss you and I swear I'm gonna change Trust me, remember how that lasted for a day I say, I hate you, we break up, you call me, I love you

Oooh we called it off again last night
But Oooh, this time I'm telling you, I'm telling you
We are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever getting back together

Like ever...

I'm really gonna miss you picking fights
And me, falling for a screaming that I'm right
And you, will hide away and find your piece of mind
With some indie record that's much cooler than mine

Oooh you called me up again tonight
But Oooh, this time I'm telling you, I'm telling you
We are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever getting back together

I used to think, that we, were forever ever ever And I used to say never say never Huh, he calls me up and he's like, I still love you And i'm like, i'm just, I mean this is exhausting, you know We are never getting back together, like ever

We are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever getting back together

We, oooh, oooh, not back together, we Oh, getting back together

You go talk to your friends talk And my friends talk to me But we are never ever ever getting back together
