

Taylor Swift, Welcome to New York

Walking through a crowd
The village is aglow
Kaleidoscope of loud heartbeats
Under coats
Everybody here wanted something more
Searching for a sound we hadn't heard before
And it said

Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

It's a new soundtrack I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

When we first dropped our bags
On apartment floors
Took our broken hearts
Put them in a drawer
Everybody here was someone else before
And you can want who you want
Boys and boys and girls and girls

Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

Like any great love
It keeps you guessing
Like any real love
It's ever changing
Like any true love
It drives you crazy
But you know you wouldn't change anything, anything, anything...

Welcome to New York
It's been waiting for you
Welcome to New York

Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

It's a new soundtrack
I could dance to this beat
The lights are so bright
But they never blind me
New soundtrack
The lights are so bright
But they never blind me
So bright
They never blind me

Welcome to New York
