

Taylor Swift, You All Over Me (From The Vault)

Once the last drop of rain
Has dreid off the pavement
Shuldn't i find a stain
But i never do

The way the tires turn Stones
On old country roads
They leave it muddy underneath
Reminds me od you

I lived, and i learnd
Had you, got burmed
Held out, and held on
God knows, too long
And wasted time, lost tears
Swore that i'd get out of there
But no amout of freedom gets you clean
I've still got you all over me

The best and worst day of June
Was the one that i met you
Whit your hands in your pickets
And your don't you wish you had me' grin
But i did
So i smiled
And i melted like a child
Now every breathe of air breath
Reminds me of then

I lived, and i learnd
Had you, got burmed
Held out, and held on
God knows, too long
And wasted time, lost tears
Swore that i'd get out of there
But no amout of freedom gets you clean
I've still got you all over me
