

Taylor Swift, You Need To Calm Down (Clean Bandit)

you're somebody that i don't know
but you're taking shots
at me like it's patron
and i'm just like, damn
it's 7 am

staying in the street
that is knock out
but you say it in a tweet
that's a cop out
and i'm just like, hey
are you ok?

and i ain't trying to
mess with your self expression
but i've learned the lesson
that stressin'
and obsessin'
about somebody else
is no fun

and snake and stones
never broke my bones
so
You Need To Calm Down
you cant bo loud
and i am just like
you need to just stop
like can you just not
step on my gown
You Need To Calm Down

you are somebody
that we don't know
but you coming at my friends
like a missile
why are you mad?
when you could be glad
you could be glad

sunshine on the streer
at the parade
but you would rather be
on the dark ages
just making that sign
must've taken all night

you just need to take several seats
and then to try
restore the pace
and control to urge the shout about people you hate
cause shade never made any
anybody less gay
so
You Need To Calm Down
you cant bo loud
and i am just like
you need to just stop
like can you just not
step on my gown
You Need To Calm Down
