

TC Matic, If You Wanna Dance, Dance, If You Do

In the mood for love
In the mood for
In the mood for a slow
In the mood for
I wanna feel the difference
In my scalp
Free your mind
And the rest will follow

If you wanna dance, dance, if you don't, don't
If you wanna dance, dance, if you don't, don't

Girls are looking
The boys are being
It's just a beautiful night
Just a perfect night
A night for a smoke
A night for a joke
A night for a kiss
On your lips, h

If you wanna dance, dance, if you don't, don't
If you wanna dance, dance, if you don't, don't

Sweets for my sweet
Sugar for my dog
Shake your lips
And close your eyes

If you wanna dance, dance, if you don't, don't
If you wanna dance, dance, if you don't, don't
