

# TC Matic, The Parrot Brigade

Look at them  
Be cool be smart  
Lost in their ego  
For the rest of their lives  
They&#039;re the first to relate  
To things  
The first to damn them  
When they get pass  
When they get pass  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
Today they&#039;re into thermoskychips  
Tomorrow into the Beatniks  
The trend to idiocity  
Even the boy does wewe  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
They&#039;re a part of  
The crowd  
Don&#039;t say it out loud  
They&#039;re proud  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
Here they come  
Don&#039;t be afraid  
They&#039;re just a part of the Parrot Brigade  
Here they come  
Don&#039;t be afraid  
Here they come  
Don&#039;t be afraid  
Here they come  
Don&#039;t be afraid  
Here they come  
Don&#039;t be afraid  
Here they come  
Don&#039;t be afraid  
Here they come  
Don&#039;t be afraid  
It&#039;s just the Parrot Brigade  
It&#039;s just the Parrot Brigade  
It&#039;s just the Parrot Brigade
