Teairra Mar, Lala

You need to quit puffing that La La (La La)

[Bridge:] All my ladies

[Spoken:] La la La la (Track boys S dot) Lets go [Guy:] Ayo Teairra What's up girl Damn you looking incredible these days you know Are you still with ol' dude? I be seeing you out the ghetto But you know he can't do what I can do for you I can change your life you know [Teairra:] Uh huh, Oh for real? [Guy:] You need to be f*cking with a nigga like me ma [Verse 1:] All ya'll wankstas be talking that La Think I'm gonna leave my nigga, you smoking that La He may not have millions but he give me enough That feel good conversation and trust Any time I need him he will out, want to bust Damn well will lay a nigga out for the us Yeah you might be gangster But gangster ain't enough Cuz these dickies have his name written in the cut [Hook:] Ohh, he treats me so good Ohh, you wishing you could Axe him, nix him, make me forget him But there ain't nothing out here that's like him [Chorus:] La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to guit puffing that La La (La La) La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to quit puffing that La La (La La) [Verse 2:] See that's the damn problem with the male species (Uh huh) Ya'll think ya'll can hit every ball in the league (Uh huh) But you'll keep poppin foul as you talk to me Wondering why girls dating girls got you intrigued But that's irrelevant when it comes to me My man got it locked when it comes to heap I can see that you won't ever succeed At pleasing a girl 101 so class is ending (Lets go, lets go) [Hook:] Ohh (Ohh), he treats me so good Ohh (Ohh), you wish that you could Axe him, nix him, make me forget him But there ain't nothing out here quite like him [Chorus:] La La me, you think you gon' La La me (Oh) You pimp and you're saying that to La La me (You're so typical, yeah yeah) I told you that in his arms is where I'd be You need to quit puffing that La La (La La) (Let it go) La La me, you think you gon' La La me You pimp and you're saying that to La La me (You pimp and it ain't strong, no it ain't) I told you that in his arms is where I'd be

My real down ladies Want these lame ass busters to stop Stop tryin to holler when I told you about 'em And the game that you're spittin ain't hot All my (All my) All my real ladies That want these lame ass busters to stop Stop tryin to holler when I told you about 'em And the game that you're spittin ain't hot [Chorus:] La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to quit puffing that La La (La La) La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to quit puffing that La La (La La) La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to quit puffing that La La (La La) La La me, you think you gon' La La me You pimp and you're saying that to La La me I told you that in his arms is where I'd be You need to quit puffing that La La (La La) [Spoken rap:] What the f*ck Ya'll thought we was playin with ya'll? Nigga its S.dot and track boys, we ball You always keep sneaking like the game ain't changed Nigga its S.dot, Teairra Mari remember the name Let's go La La La [till fade..]
