Dance with us tonight
I bet you like our song too
I miss earth tonight
I bet you like it soft do you?

uh huh get up uh huh dance
uh huh come on

dance with us tonight
I bet you like our song too
I miss earth tonight
I bet you like it hard do you?

uh huh dance uh huh get up uh huh come on

I miss earth tonight yeah
I bet you like our song too
dance with us come on
I bet you like our song too
dance with us now 'cause
I bet you like our song
