

# Tears For Fears, Deja Vu

Deja Vu  
Deja vu

I must learn to protect myself  
I'm not a man of violence  
I must learn to protect myself  
From the sins of science

People came and broke the law  
Broke the vows of silence  
I must learn to protect myself  
From the sins of science

Deja Vu  
Deja vu

I must learn to protect myself  
I'm not a man of violence  
I must learn to protect myself  
From the sins of science

People came and broke the law  
Broke the vows of silence  
I must learn to protect myself  
From the sins of science
