## Tears For Fears, Head Over Heels, Broken (Live)

I wanted to be with you alone

And talk about the weather

But traditions I can trace against the child in your face

Won't escape my attention

You keep your distance via the system of touch

And gentle persuasion

I'm lost in admiration could I need you this much

Oh you're wasting my time

You're just wasting time.

Something happens and I'm head over heels

I never find out until I'm head over heels

Something happens and I'm head over heels

Ah don't take my heart

Don't break my heart

Don't throw it away.

I made a fire and watching it burn

Thought of your future

With one foot in the past now just how long will it last

No no no have you no ambition My mother and my brothers used to breathing clean air

And dreaming I'm a doctor

It's hard to be man when there's a gun in your hand

Oh I feel so ...

Something happens and I'm head over heels.

I never find out until I'm head over heels

Something happens and I'm head over heels

Ah don't take my heart

Don't break my heart

Don't throw it away.

And it's my four leaf clover

I'm on the line, one open mind

This is my four leaf clover.
