

# Tears For Fears, Wino

could you be wrong  
could you be wrong  
to choke on the smoke and the drunkenness  
drowning in sorrow with each breath

you're a wino  
a cigarette smoker  
you have a good time  
they call you a joker, don't they  
wino  
you're a cigarette smoker  
you have a good time  
they call you a joker, don't they  
don't they

could you be wrong  
could you be wrong  
you're happy dying you don't wanna change  
remove your fix and you feel your pain

you're a wino  
a cigarette smoker  
you have a good time  
they call you a joker, don't they  
wino  
you're a cigarette smoker  
you have a good time  
they call you a joker, don't they  
don't they
