

# Teenage Fanclub, Born Under A Good Sign

Born under a good sing  
I was raised in the sunshine  
I'm the first in a long time  
into love, the moon, the trees, the stars, the sun.

Step on the right track  
love my folks and I call back

I read books and I don't lack  
into love, the moon, the trees, the stars, the sun.

Rockin' a new way  
I play fives on a sunday  
tt on a tuesday  
into love, the moon, the trees, the stars, the sun.
