Teenage Fanclub, Norman 3

Come on over Break some bread Close the window and we'll lay on the bed If you're the future then I'm with you Looking forward to everything that we do They are stupid they don't know Going nowhere but we're ready to go We're together on our way Are you ready for what I'm going to say Ohhhh...

[Chorus] Yeah, I'm in love with you I'm in love with you and I know that it's you

[repeat Chorus 10x] Yeah....
