

Television Personalities, An Exhibition By Joan Mir

Wild

We go to parties, she dresses to impress
She's the kind of girl that other girls respect
She's a real cool cat
She knows just what she wants
She is a raver

She sells sea shells on a sea shore
Well I'd buy one and a million more
Oh I can't describe her I really don't know
She's like an exhibition by Joan Miro

She's with me now, we're walking down the street

She's looking cool and very very sweet
I take her with me wherever I go
She is a groover

She sells sea shells on a sea shore
Well I'd buy one and a million more
Oh I can't describe her I really don't know
She's like an exhibition by Joan Miro

Better than Picasso
Picasso was an asshole
Really wild
