Television Personalities, An Exibition By Joan Mir

Wild

We go to parties, she dresses to impress She's the kind of girl that other girls respect She's a real cool cat She knows just what she wants She is a raver

She sells sea shells on a sea shore Well I'd buy one and a million more Oh I can't describe her I really don't know She's like an exibition by Joan Miro

She's with me now, we're walking down the street

She's looking cool and very very sweet I take her with me wherever I go She is a groover

She sells sea shells on a sea shore Well I'd buy one and a million more Oh I can't describe her I really don't know She's like an exibition by Joan Miro
