

# Ten Foot Pole, Rachel Corrie

You heard of Rachel Coorie?  
The press won't tell her story  
Caught between a house and bulldozer  
She found out that Israel  
Hates gardens and it will kill  
Americans who help rebuild the Gaza Strip.

Let's pretend that everything will be OK  
It's not our fault let's look the other way  
And go to films or dance lessons or baseball  
games at night  
and trust elected leaders to choose right

I hurt for Rachel's father  
To bury his young daughter  
And her belief in human goodness  
He taught her to fight violence  
Now all that's left is silence  
And the memory of her dignity  
Let's pretend...  
Rachel I hope you find justice or even a  
Garden where anyone can grow some food in peace  
No guns, no need to fight. No poor, no black no white,  
Heaven, you deserve a break from misery
