

# Tenacious D, Now Were Back Together

Last week Kyle left the band  
Now we're back together  
Misunderstanding, didn't understand  
Doesn't matter, now we're back together again  
Couldn't split up Kato and Nash  
Couldn't split up Tango and Cash  
This is our song of exalted joy Because

We are the band that kicks some ass  
Rock the f\*\*king house and kick some ass  
What are we gonna do with all the cash  
Smoke hash  
And then we're thrashed  
We'll throw a big old bash  
Everyone, you're all invited to the bash
