

Terra Naomi, Aim To Please

How much fuel to feed this fire?
How much water drowns my flame?
I dont know how youre hanging on still
Or how much longer youll remain

You make it hard
You make it hard
You make it hard
To doubt
What i believe

And i will try
I will try
I will try harder
Because
I aim to please

Do you think you wanna come around now?
Youve seen everything i am
The curtains pulled and i am standing
Alone, surrounded by my plans

And all that i am
Seems to rest on
A shakey bough
Im left with thoughts
Wondering what
Will break me now

You make it hard

You smile is one of my sweetest memories
Your words always telling me to believe
Sometimes youre so beautiful
I have to close my eyes and look away
I cant believe youre here to stay

You make it hard
