

Thai, Vietnamese Gang

I be still creeping through the block with the glock 'cause my mind gone crazy
My homie posted on the roof to bust some bitches with 380's
Fools hate me, so I gots to put it down for my clique
Screaming out Vietnamese 'cause I'm down for my shit, bitch
We be the realest gooks that you ever know
We be the thuggish ass Vietnamese fools up in P.O., bro
So slow your roll, don't wanna step 'cause if you try to
I'ma have to ride through and put your ass in check, fool
It's like that, my crew, we be the real cats
Come to bomb on the "Vietnam" tatted on my back
Family love got my mind giving a fuck
Shedding blood for the homies on the block bumping slugs
Cause it's the gang that I bang with
Rolling with five real mother fucking G's and y'all still can't hang, bitch
Showing no love in enemies getting served
When we walk up out the room all you heard, what bitch?
