

# Thalia, Seduction

(Verse)

I can't help all my feelings of temptation  
Everytime you touch me  
The way that you provoke me  
I run away  
Just gotta get away  
Your kiss is pure Seduction  
Your love is my addiction

Can't go back but I gotta let go  
Your powerful desire  
Has set my soul on fire  
This world keeps turning, my heart keeps yearning  
It's beating like a drum roll  
You make me want to lose control

(Chorus)

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you  
(x2)

(Verse)

Your Seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

Your Seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I can feel it "Your Seduction"

(Chorus)

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more  
Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
Cause all I do is think of you  
(x2)

(Bridge)

Can't you see what your love is doing to me  
I can't breath, I can't sleep  
I don't know what to do  
You took my heart and my soul  
Got no choice  
I'm so in love with you  
I think I'm losing my mind

Your Seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

(Chorus / OUT)
