

# The 1975, It's Not Living (If It's Not With You)

Danny ran into some complications  
He falls asleep during conversations  
He's gotta search the street when he's on vacation  
The worst thing is that I'm in the same situation

And all I do is sit and think about you  
If I knew what you'd do  
Collapse my veins wearing beautiful shoes  
It's not living if it's not with you

And Danny says we're living in a simulation  
But he works in a petrol station (selling petrol)  
He says it all began with his operation  
And I know you think you're sly but you need some imagination

And all I do is sit and think about you  
If I knew what you'd do  
Collapse my veins wearing beautiful shoes  
It's not living if it's not with you  
All I do is sit and drink without you  
If I choose then I lose  
Distract my brain from the terrible news  
It's not living if it's not with you

I can't stop sweating or control my feet  
I've got a twenty-stone monkey that I just can't beat  
I can stage a situation, but I just can't eat  
And there's a feeling, you're replacing embrace

It's true that, all I do is sit and think about you  
If I knew what you'd do  
Collapse my veins wearing beautiful shoes  
It's not living if it's not with you  
All I do is sit and drink without you  
If I choose then I lose  
Distract my brain from the terrible news  
It's not living if it's not with you

Oh, I'll try to get a job in a bank, I think  
Danny spent time trying to pack in the drinks for me  
I feel sick and I know I can't lose but  
It's not living if it's not with you, it's not, it's not  
It's not living if it's not with you, it's not, it's not  
It's not, it's not, It's not living if it's not with you  
It's not living if it's not with you, it's not, it's not  
It's not living if it's not with you, it's not, it's not  
It's not living if it's not with you, it's not, it's not  
It's not living if it's not with you, it's not, it's not  
It's not living if it's not with you
