

# The 1975, Oh Caroline

I've been suicidal  
You've been gone for weeks  
If I'm undecided, will you decide for me?  
Baby, I'll do anything that you want to  
I'll try anything that you want to  
I'll try  
'Cause you're on my mind

Oh Caroline  
I wanna get it right this time  
'Cause you're always on my mind  
Oh Caroline

Getting suicidal?  
It's honestly not for me  
I'm getting on my nerves by getting on my knees  
'Getting cucked', I don't need it  
The place I want to be is somewhere in your heart, somewhere guaranteed  
'Cause, baby, I'll do anything that you want to  
I'll try anything that you want to  
I'll "find myself in the moonlight"  
'Cause, baby, I want everything that you want  
And I've tried to 'just be me' like a thousand times  
But you're on my mind

Oh Caroline  
I wanna get it right this time  
'Cause you're always on my mind  
Oh Caroline

Oh I've tried to find another name a thousand times  
But the only one that rhymes is 'Oh Caroline' (Always on my mind)

Just give me one more chance tonight 'cause I don't want to waste my life without you, baby  
No, I don't want to waste my life without you, baby

Oh Caroline  
Get it right this time  
Always on my mind  
I wanna get it right  
'Cause you're on my mind

Oh Caroline  
I wanna get it right this time  
'Cause you're always on my mind  
Oh Caroline
