

# The 1975, The City

Don't call it a fight when you know it's a war  
With nothing but your t-shirt on  
Go sit on the bed because I know that you want to  
You've got pretty eyes, but I know you're wrong

Don't call it a spade if it isn't a spade  
Go lie on the floor if you want  
The first bit of advice that you gave me that I liked was they're too strong, too strong  
Get in the shower if it all goes wrong

If you wanna find love then you know where the city is  
If you wanna find love then you know where the city is  
If you wanna find love then you know where the city is, city is  
If you wanna find love then you know where the city is

Counting cards was the best job he ever had  
Cleaning up  
He got good with his 4's and his 2's  
Community service was the best job he ever had  
Cleaning up  
He got sick on the floor and his shoes

She said 'It's your birthday, are you feeling alright?'  
The next one's the MD  
You'll be feeling just fine  
Your brother is just sat there  
You said that you felt snide  
You hope that that boy will be alright

If you wanna find love then you know where the city is  
If you wanna find love then you know where the city is  
If you wanna find love then you know where the city is, city is  
If you wanna find love then you know where the city is

If you wanna find love then you know where the city is
