The Academy Is, About A Girl (Acoustic Version)

One song about a girl I can't breathe when I'm around her I'll wait here everyday In case she'll scratch the surface She'll never notice

I'm not in love This is not my heart I'm not gonna waste these words About a girl

Last night, I knew what to say But you weren't there to hear it These lines, so well rehearsed Tongue tied and over-loaded You never notice

I'm not in love This is not my heart I'm not gonna waste these words About a girl I'm not in love This is not your song I'm not gonna waste these words About a girl

To be loved, to be loved What more could you ask for? To be loved, to be loved Everyone wants To be loved, to be loved What more could you ask for? To be loved, to be loved

Everyone, I'm not in love This is not my heart I'm not gonna waste these words

I'm not in love This is not my heart I'm not gonna waste these words About a girl

I'm not in love (To be loved, to be loved, what more could you ask for?) This is not your song (To be loved, to be loved, everyone wants) I'm not gonna waste these words (To be loved, to be loved) About a girl
