

# The Allman Brothers Band, Can't Take It With You

Can't Take It With You

by Dickey Betts and Don Johnson

(c)1979 EMI Blackwood Music Inc and Pangola Publishing Company

Can't take it with you  
Everybody knows  
Can't take it with you when you go  
Can't hide your love away  
Save it up for a rainy day  
Ya can't take it with you when you go

Play it high or low  
Break the bank in Monte Carlo  
You can play it just the way it falls  
Cut it like you want to  
But it just might come back and haunt you  
Lady Luck's your mama when she calls

Can't take it with you  
Everybody knows  
Can't take it with you when you go  
Can't hide your love away  
Save it up for a rainy day  
You can't take it with you when you go

( Guitar solo )

Hot-wire a fast car  
Just to take a ride  
You can run, but you sure cannot hide  
Oh, tell her a lie  
And live with it 'til you die, but you  
Can't take it with you when you go  
And it hurts so bad when you finally have to show

Can't take it with you  
Everybody knows  
Can't take it with you when you go  
Can't hide your love away  
Save it up for a rainy day  
You can't take it with you when you go  
No, you can't take it with you when you go, ooh  
No, you can't take it with you when you go, not now
