

# The Animals, Be Mine

Free impossible believers,  
If they worry every minute that goes by.  
Be the magic of the morning.

Be mine, all the time ,  
be mine, be mine.  
Baby, be mine.

Why do you belong to someone?  
Try to see yourself between you being blind.  
Be the woman who believes me.

Be mine.....

Additional words

When you say you love somebody  
Say it loud and absolutely blow their minds.  
Be my only inspiration

Be mine.....

Come and listen to my story,  
Don't be afraid to leave your tears by my side.  
Be the woman on my pillow

Be mine.....

(Sterling)
