

# The Aquabats, Red Sweater!

Well I met you in the third grade (grade), I didn't know that you liked lemonade (lemonade). I met you another year later, you wore a RED SWEATER with an alligator. We chased the ice cream truck across the street and I thought you seemed kind of neat. We held hands as we walked to the swings in the park.

&lt;chorus&gt; You're my girl, I'm your man. I don't care if we live in a garbage can. I'm your man, you're my gal, I'm so glad that we are pals.

You're not fat - you don't smell bad. You're always smiling - never sad. I bet you take a shower every day... hey hey hey hey hey.

But then when I saw you playing soccer with your friends, I knew that day our love would never end.

And this whole time it blows my mind, oh well whatever - we're so good together, when you matty me you'll be my wife.

&lt;chorus&gt;

I'm in love, its great, see you again - can't wait, there's so much to do. You're such a pretty girl, we'll travel round the world, to see this love through.

And if you ever went away from me. I would cry, I would fall down on one knee. And I would pray, Yes I would pray, that you would come back to me someday....

&lt;chorus&gt;

I'm in love, its great, see you again - can't wait, there's so much to do. You're such a pretty girl, we'll travel round the world, to see this love through.

Oh well whatever, you and me and that RED SWEATER. Oh well whatever, you and me and that RED SWEATER.

Are go!
