## The Association, Cherish

Cherish is the word I use to describe All the feeling that I have Hiding here for you inside You don't know how many times I've wished that I had told you You don't know how many times I've wished that I could hold you You don't know how many times I've wished that I could hold you into someone who could Cherish me as much as I cherish you

Perish is the word that more than applies
To the hope in my heart each time I realize
That I am not gonna be the one
To share your dreams
That I am not gonna be the one
To share your schemes
That I am not gonna be the one to share what
Seems to be the life that you could
Cherish as much as I do yours

Oh I'm beginning to think that man has never found The words that could make you want me That have the right amount of letters Just the right sound That could make you hear, make you see That you are drivin' me out of my mind

Oh, I could say I need you
But then you'd realize
That I want you
Just like a thousand other guys
Who'd say they loved you
With all the rest of their lies
When all they wanted
Was to touch your face your hands
And gaze into your eyes

Cherish is the word I use to describe All the feeling
That I have hiding here for you inside You don't know how many times I've wished that I had told you You don't know how many times I've wished that I could hold you You don't know how many times I've wished that I could Mold you into someone who could Cherish me as much as I cherish you

And I do Cherish you And I do Cherish you

Cherish is the word
