

The Association, The Time It Is Today

(Russ Giguere)

Sunrise, sunset

What you're born with is what you get

Let your fear just pass away, then your love will fill your days

I know

I need so little, yet so much

Child's sweet laughter, woman's touch

I can't say just what is real, all I know is what I feel

I know

The time it is today, and we must find our way

My heart it clearly states, the answer's not in hate

I once believed that love was but a dream

But now I know that love's a flowing stream

They're lying, killing, they're pushing their rules

They tell you the prophets all are just fools

But I know different and I won't be used

It's they that are lost, it's they are confused

Sunrise, sunset

What you're born with is what you get

All your worries, all your fears

They don't change the passing years

I know
