

The Avalanches, We Go On (ft. Cola Boyy, Mick Jones)

Yo what's up
This is cola boy
I am here with Mick Jones
We send our love yo you Karen

We go on, hurting each other
We go on, hurting each other
We go on, hurting each other
hurting each other
hurting each other

Power to the people

We go on, hurting each other
We go on, hurting each other
We go on, hurting each other
We go on, hurting each other

We go on
We go on

Walkin' up the hill
Singing back a song
Moments before the smoke leaves my barrel
Why am I fighting to stay on this payroll?
I am hurt, but the wound feels so sterile

We go on, hurting each other
We go on, hurting each other
We go on, hurting each other
hurting each other
hurting each other

Power to the people

We go on, hurting each other
We go on, hurting each other
We go on, hurting each other
We go on, hurting each other

We go on
We go on
