The B-52's, Lava

My body's burnin' like a lava from a Mauna Loa My heart's crackin' like a Krakatoa Krakatoa, east of Java, molten bodies, fiery lava

Fire, fire, burnin' bright
Turn on your love lava
Turn on your lava light
Fire, oh volcano, over you
Don't let your lava love turn to stone
Keep it burnin'
Keep it burnin' here at home

Oooo Hot Lava Oooo Hot Lava

My love may be as high as the highest volcano
But the altitude is way too high
Well it gets so cold when you look at me that way---yeah
I just wanna have that hot lava
Lovin' me away

My love's mountin' My love's eruptin' like a red hot volcano Fire, oh volcano, over you I gotta lotta lava love locked up inside me

My love's a lava bomb
Knock you in the head
Knock you in the head
Kick you in the lava bed
Over you, hot lava
Don't let your lava love turn to stone
Keep in burnin'
Keep it burnin' here at home

Oooo it's so hot It's burnin' up in here Oooo look out, it's about to erupt Oooo my body's burnin' like a lava from a Mauna Loa My heart's crackin' like a Krakatoa

Hot fire, red-hot fire Lava, ohh, hot lava Hot lava, red-hot lava Hot lava, re-e-ed, hot lava Oh hot lava

I'm gonna let it go Let it flow like Pompeii or Herculaneum Let it sizzle, let it rise Don't let your lava love flow turn to stone Keep it burnin' Keep it burnin' here at home

I'm gonna jump in a crater See ya later Oooo hot lava Oooo hot lava Hot lava Red hot lava Hot lava Red hot lava Yeah
