

The Babys, Laura

It's been a year since we last met
But you're still clear in my mind
You gave me things I can't forget
You gave me love I still can't find
Oh Laura I miss you so
Oh Laura
Oh
Sometimes I see you in my dreams
When I wake up my troubled mind yeah
I found a new love for myself
You know I do the best I can
Oh Laura I miss you so
Oh Laura
Oh
I hope that we meet again
Oh I've rehearsed the things I'd say
and if that should never be
I'll love you 'til I'm blown away
Oh Laura I miss you so
Oh Laura
Oh yeah
I miss you so
Oh Laura
I miss you so
Oh Laura
(sometimes I see you in my dreams)
