

THE BANGLES, Getting Out Of Hand

A friend told me yesterday
You've been looking for me
If I've been staying out of your way
I've done it intentionally
Saw you walking with her (walking with her)
Always kept that few steps behind, yeah
Wonder if she knows for sure (she knows for sure)
Her man's going on walking the line
Then I say to myself: beware!
It's getting out of hand (out of hand)
It's getting out of hand (don't look now)
It means loving you is like being true
You've got another woman, yeah.
Look me right in the eye
Tell me I'm the one that you love
Right back into your lies
Forgetting how determined I was
Then I say to myself: beware!
It's getting out of hand (out of hand)
It's getting out of hand (don't look now)
It means loving you is like being true
You've got another woman, yeah
A friend told me yesterday, hey
