

The Beach Boys, Carl's Big Chance

Well, East coast girls are hip, I really dif those styles they wear,
And the Southern girls with the way they talk, they knock me out when
I'm down there.

The Midwest farmers' daughter really makes you feel alright,
And the Northern girls, with the way they kiss, they keep their
boyfriends warm at night.

I wish they all could be California,
(wish they all could be California)

I wish they all could be California girls.

The West coast has the sunshine and the girls all get so tan,
I dig a french bikini on Hawiian Island dolls,by a palm tree in the
sand.

I been all round this great big world and I seen all kinds of girls,
yeah, but I couldn't wait to get back in the states,
back to the cutest girls in the world.
