The Beach Boys, Cuddle Up

The night has come Cuddle up to me

Keep warm

Mmm close to me

In dreams

We'll dream

Making love to wake

To find

Mmm we're still one

Your love

Your love

Your love

Your love for me

Is so

Warm and good to me

Growing every day

Honey

Honey

I'm in love

00000

I know a man

Who's so in love

Mm mm

The night

Has come

Cuddle up

To me

Keep warm

Mm close to me

Your love

Your love

Your love

Your love for me

Is so warm and good to me

Growing every day

Honey

Honey

I'm in love

O0000 0000 00000000

I know a man

Who's so in love

Mm mm
