

# The Beatles, Ain't Nothin' Shakin' (Like The Leaves On The Tree)

She's got a way that make me ask like a fool  
Spend my money that she plays me good  
I'm begging for her kisses on abandon me  
So won't you give me someone loving me  
Please please me.

Oh I keep trying hard to make her mine  
No nay will we will flow nowhere shine  
Still my party course my heart of heart  
Ain't nothin' shakin' but the leaves on the trees  
She lost my heart and through the way that key  
Ain't nothin' shakin' but the leaves on the trees  
There's nothin' shakin' but the leaves on the trees...
