

The Beatles, All Things Must Pass

Sunrise doesn't last all morning.
A cloudburst doesn't last all day.
Seems my love is up
And has left you with no warning.
It's not always been this gray.

All things must pass.
All things must pass away.

Sunset doesn't last all evening.
A mind can blow those clouds away.
After all this
My love is up and must be leaving.
It's not always been this gray.

All things must pass.
All things must pass away.

All things must pass.
None of life's dreams can last.
So, I must be on my way
To face another day

Now darkness only stays the nighttime.
In the morning it will fade away.
Daylight is good
At arriving at the right time.
It's not always gonna be this gray.

All things must pass.
All things must pass away.

All things must pass.
All things must pass away.
